PROBLEM STATEMENT

“The need for an online presence” ■

As an artist , having an online presence is crucial for showcasing work and reaching a wider audience .

PROJECT OVERVIEW

what is art portfolio ?

An art portfolio is a collection of your work , whether that's paintings, poetry, sculpture, or another art form..

In this I displayed my arts.. Every art portfolio should show their personality and their own way of looking at the world.

Using HTML,CSS and JAVASCRIPT.

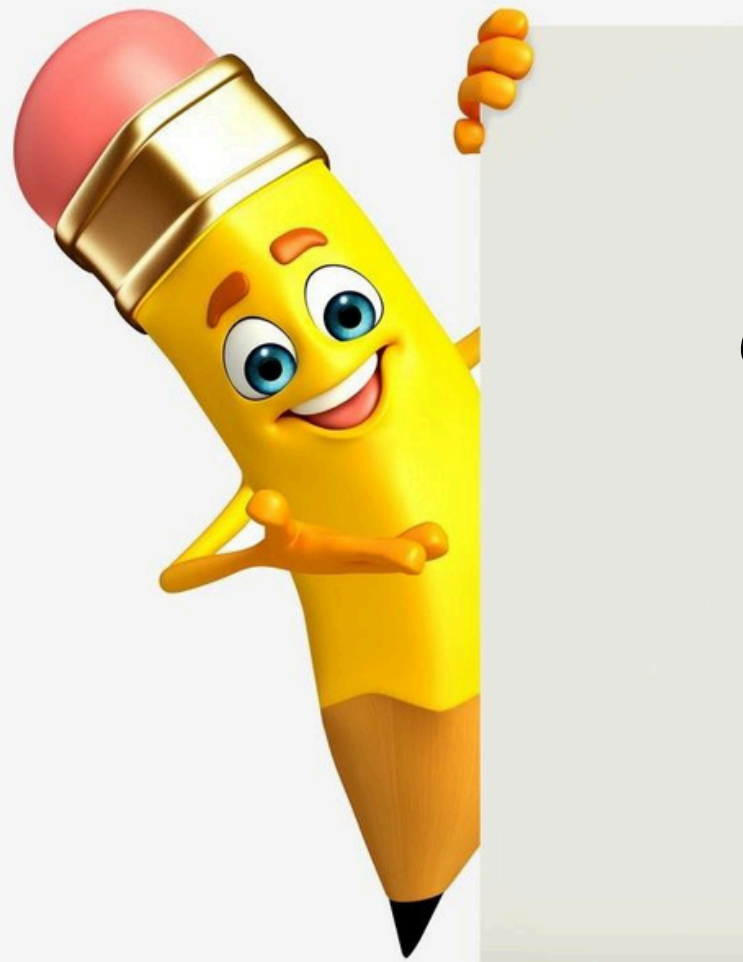

WHO ARE THE END USERS?

Artists: *The website is designed to showcase art pieces , so artists who create art are the primary users.*

Art enthusiasts: *People who appreciate and enjoy art may visit the website to view and learn about the artwork.*
